Memorandum

TO : DIRECTOR, FBI (105-82298)

FROM : SAC, NEWARK (105-11467) (RUC)

SUBJECT: ELOY GUTIERREZ MENOYO, Aka
IS - CUBA
(OO: Miami)

DATE: 8/31/62

Re Newark letter to Bureau, 6/29/62.

Contacts with Cuban informants and sources during July and August, 1962 have produced no information concerning collections being made in New Jersey by Second National Front of Escambrey or representatives.

On 8/27/62, PSI DIONISEO FELINO RODRIGUEZ, Union City, New Jersey, advised that he could not further identify SILBERIO (PH) RODRIGUEZ who reportedly had made attempts to collect money supposedly for subject's group about March, 1962. PSI indicated that this individual was possibly from New York and, instead of an organized collection attempt, could have been someone who was attempting to obtain personal financial benefit. As previously reported, INS file, credit and criminal checks have produced no information concerning this person whose name might be in error. Newark, therefore, is making no further attempts to identify RODRIGUEZ.

Newark will remain alert for organized collections being made in New Jersey by GUTIERREZ's group and will report same to Miami as office of origin.
